Every disease to which the human frame is subject, Is always large and complete, comprising in part the originates from impurities of the blood or derangement of the digestive organs.

Dr. Gordon's Family Pills. Being compounded exclusively of such ingredients as Nature intended should operate on the impurities of the Juman System. Strike at the root of the disease, removing all impurities from the body, opening the pores externally and in-ternally, separating all foreign and obnoxious particles

Stomach, thereby restoring health, by opening the pores, cleansing the veins and arteries, unimpeding all the natural veins and purifying the blood; they render the system not only thoroughly sound, but also impervious disease, even when all other means have failed. Within the last twelve months, more than one hundred cases of the most aggravated forms of dyspepsia have been cured by the Medicine, where rigid dieting, the Blue Pill, and almost every other means have been resorted to without any benefit, and when death stared its miserable victim fully in the face. If Dr. Gordon's Pills were not adapted to the cure of any but this horrid malady, their uniform success in this disease alone would be sufficient to "wast on to same" the name of

their inventor, as a benefactor of his species. This medicine never fails to cure the worst cases of PILES in one week! For a more detailed description of the Medicine, the manner of its operation, the complaints it is adapted to extant. Their extensive use in the Taitersalls' Stable. and the cures it has performed, we refer the reader to our agents, who will give them a Pamphlet gratis. For sale by Henry D.
